Dear Parents and Carers,

May I wish everyone a very Happy New Year!

Welcome back to a new term in school. There will be new areas for learning for the children and we are hoping to hold a couple of workshops for parents too. Your child should have bought home or will shortly be bringing home a curriculum letter about their year group.

On Monday's training day we used some of the time to update our Epi-pen, allergic reaction and Asthma inhaler training from the School Nurse. During this session she instructed us that **we must not administer any medicine that has not been prescribed by a doctor and isn't labelled with a pharmacy dispensing label evidencing that it has been prescribed.** Please note that in future any refusals to administer over the counter medicines are not meant to cause offence but this is what we have been instructed to do by our medical lead.

A reminder that most clubs will have started again by next week and I will send out a reminder of available clubs if you need one.

Have a good weekend everyone.

## Priaulx Premature Baby Foundation

Thank you to everyone who has kindly donated money over the last few months—we collected £900 for the 'Burrows Project'.

## **Cold weather due!**

The temperature looks set to drop next week so please can children ensure they have a coat (with their name in) in school with them.

## Teacher Training Day

We will be holding our additional training day on  
**Friday 27th May.**

## **Say "Cheese!"**

The school photographer will be here next week on Wednesday 13th and Thursday 14th to take all of the children's individual photographs. They will also be taking sibling groups. Remember to return your slip if you would like a sibling photo taken by **Monday.**
