Dear Parents and Carers,

You will have seen and heard in the media about the Education Departments proposals for Secondary Education. To see the full details for yourself please click the link below.

[www.education.gg/ysycproposals](http://www.education.gg/ysycproposals)

Next week is Book Week where the whole school will focus on one traditional fairy tale in its different variations. On Friday we will be dressing up as a **fairy tale or book character**, we look forward to seeing the children's and teachers' new looks! There will be a voluntary £1 donation which will go towards new books for the Infant Library.

This week saw the first two children passing their maths passports! A fantastic achievement of which they should be very proud! Well done to Gemma D and Kiera C in Year 6 for achieving the Globe Trotter Passport.

May I say a big thank you to the parents who have donated old coats to help other children in school, we are very grateful. Now we just need to locate all the PE kit that we have loaned out to children!

Have a good weekend.

*Mrs S Coughlin*

## Digital ACE Event

Saturday 6th February 12pm at Beau Sejour.

Organised by the Online Safety Committee for Guernsey Schools, Digital ACE is about providing adults and children with an environment that can feed and support our aspirations, provide the inspiration and tools to create new things, and empower us all to learn, discover and be safe in our amazing digital world.

There will be plenty to see and do with experts on hand to help you make your and your children's digital lives more safe and secure.

Skillset will be on hand if you want your children to go and let off a little steam whilst you listen to the speakers, or get them involved in the 3D printing, games development and other amazing local projects.

## Football Champs!

Well done to our Football teams. The A team won the Large Schools 5-a-side Tournament and the B team came third.

A big thank you to the children for giving such commitment and effort into the team and to Mr Byrne and Mr Evans for coaching and supporting them.

## Parent Challenge!

Next week is Book Week. Can you tell your child what your favourite book was when you were younger and why?

It would be lovely if they could bring it in on a piece of paper for us to display in school.

Help us to promote a love of reading!

Mrs Coughlin's favourite book was .....

What was yours?

## Alternative Parking

Please remember that we do have permission for cars to park on North FC and then walk up the lane to school. It's a great way to avoid the traffic congestion and get some fresh air and exercise at the same time.

### Year 6 PGL Parents

The time is almost here...  
We will be holding a meeting for parents and children at 6.30pm on Thursday 28th April.  
The kit list is available on the school website.

### Oops !

After looking at the usage data it seems that not many children have been using Mathletics at home. The PTA paid for this following a surge of parental requests so please make the most of it.
