

Hautes Capelles Vision

Our school is a place of learning where everyone's UNCRC* rights are valued and positively supported. We will enable the children to take responsibility for their learning to achieve their full potential

We will endeavour to do this by;

- everyone having a right to feel safe and secure
- respecting everyone and being respectful
- developing a love of learning and be inspired and motivated to achieve our personal best
- ensuring that the children have an active voice

**United Nations Convention on the Rights of the Child*

Mission statement

Helping children progress and succeed.
