RECYCLE UNWANTED PENS!

TerraCycle recycles traditionally non-recyclable waste into a large variety of consumer products.

These products keep waste out of our landfills and contribute to a cleaner world. It also reduces the need for new materials to be extracted from our planet.

There are quite a few choices of waste to collect but we have decided to collect writing instruments. Writing instruments are simple tools that we use everyday in schools, at work and at home. Every ballpoint pen, felt tip, correction fluid, marker and

highlighter can be collected and recycled.

For every unit of waste we send to them, at least two pence is given back to Hautes Capelles School. There will be two collection boxes, clearly marked - one in both the Junior and Infant school reception areas. Once filled, each box will be worth £10 which will be spent on various projects to offer the best for our children at Haute Capelles School.

We collect - they recycle - we raise money!

RAISE MONEY EACH TIME YOU SHOP ONLINE

It's very simple - just visit www.easyfundraising.org.uk/causes/hautescapellespta

to register and shop with over 2000 well known retailers like Amazon, Argos, M&S, eBay and many more.

Then, whenever you make a purchase, the retailer makes a donation to Hautes Capelles PTA.

They've helped other causes raise over £2,000,000!

It won't cost you a penny extra to shop through easyfundraising, and you can even save money with special offers and voucher codes.

Make a difference, take a look today!

MEET THE PTA

I would like to take this opportunity to welcome you to the first edition of our newly designed newsletter. The PTA are hoping to produce the newsletter three times a year so that you are kept up to date with the fundraising ideas, forthcoming events, useful information and any other hot topics during the school year.

The AGM saw a number of the existing team resign but our new committee will be continuing on their success and working hard to raise money for the school. This year we are hoping to raise enough money to develop a Nature Area incorporating raised beds and all things 'gardening' to encourage the children to get their hands dirty!

Your support is paramount to our success and however small, your help will be appreciated. We hope you will get involved and help us to succeed in helping the children at Hautes Capelles Primary School. *Debbie*

THE NATURE AREA

In 2012 there will be a big push to make the Nature Area a much more usable and exciting area for the children. It was given an initial overhaul by a team of willing helpers in Spring last year, but has now been left unused.

The long-term plan is to develop this area which can be used by the children, giving them more access to the outdoors.

We would like to re-launch the gardening club in the new area and make a conscientious effort to recruit volunteers to help with this activity, meaning that the children can once again benefit from the scheme and take part in competitions and activities.

It is not just about nature/gardening - we are teaching the children about nature life cycles, green and sustainable gardening, recycling, taking pride and ownership of something they have created. We will update you

"Kids love to learn about nature and their environment"

with our plans and progress, but in the meantime if you would like to contribute by helping make our plans a success, please contact any of the committee with your suggestions!

NEXT EVENT

PARENTS FILM NIGHT - Fri 9th March

Meet at 7.30pm in the Infant Hall for a glass of bubbly, film to start approx 8.15pm. Just £5 per head to include popcorn - BYO drink!
