Dear Parents and Carers,

Thank you to everyone who joined us for the Art Exhibition last week. I am sure you will agree that the quality of art work produced by the children in response to featured artists was amazing. I was blown away by how many of you came along and showed your support for the children. Enabling the children to show such talents supports Article 29 which focuses on children having the ability to develop talents and skills.

Island Games

All schools have been given the opportunity to watch a competition that they are able to access by walking. For us this means the football matches being staged at North and at Corbet fields. Year 2 upwards will be walking to the fields to watch one of the games which will be incredibly exciting. In addition, we will be having competitors visiting us to talk about their sport to enable all of the children to feel part of the Games.

As North are hosting Games, we have been asked **not to use their car park** off Hougues Mauges Lane for Walk and Stride for the duration of the Island Games as some of these matches kick off at 2.30pm.

Staff News

Unfortunately I have news to share about some staff who will be leaving us at the end of term. You will already be aware that Mrs Collis is leaving us to be a Lecturer at the College of FE.

Mrs Le Prevost will also be leaving us after 12 years to be the Assistant Head Teacher at Vale Primary School. She has provided us with strong leadership of Maths and we will all miss her, but we are really proud of her for her promotion.

Mr Bougourd will also be leaving to join the team at La Mare de Carteret High School in the English department. Mr Bougourd trained with us to become a Teacher and so it is with pride that we watch him continue his professional career.

I have appointed two new Teachers, Miss Healing and Mrs Leece. Currently Mrs Leece is teaching in Singapore so won't be joining us until September, but she will be making a video for the children to say hello.

Moving Up Day

The children will be spending time with their new Teachers from 10.30am until 2pm on Monday 10th July. I have listed overleaf which Teachers are in which Year groups. We find that having an extended period of time enables them to start to feel more settled and gives the children and Teacher a better amount of time to get to know one another. At the end of the day, you are welcome to pop in to say hello to your new Teacher and see your child's new classroom. For current Year 2 parents please note that the Junior children don't finish school until 2.50pm so they will be in class until then.

We know transition can be a tricky time and cause anxiety. Overleaf I have detailed a new partnership team we have set up this term to support families. Mrs Edmonds and Mrs Harvey have already been supporting children and families this term and I have received positive feedback about their support.

Have a lovely weekend.

Please note that

LSA's in Year 1 and Year 2 will work in both classes in their year group to support individual needs. LSA's in the Juniors will work across the phase i.e. Year 3 and 4 is 1 phase and Year 5 and 6 are the other phase.

School Partnership Team

We know that at times, children may struggle with some anxiety about coming to school. To meet this need within our school community we have set up a partnership team of two specially trained LSA's, Mrs Edmonds and Mrs Harvey, who can visit you at home to give advice and strategies around anxiety, or if a child has to have extended absence due to medical need. This is completely judgemental free and the aim is just to support and work alongside families. If you would like any help, they can be contacted on support@capelles.sch.gg
