Dear Parents and Carers,

The year is almost at a close and it's the first full year we have had in school for a while without being impacted by Covid operating regulations. This means we have been able to undertake all of our normal activities and complete the curriculum for the year groups. The class Dojo stories tell a million stories of fun and achievement throughout the year but these will be archived in the summer in order to set up your new classes for September, therefore, if you would like to keep any of the photos please ensure you download them.

For the first time we are launching our next Home School Challenge to run over the summer holidays. In school we have focused on developing our Geography curriculum and so it seems fitting to set a Geography challenge, which is attached. As usual, we will hold an Exhibition in September for everyone to see all of the entries. We have purposefully chosen activities that should be easy to access for everyone and there will be prizes for the Best in Category so please encourage your child to have a go.

We also plan to hold more Book Look afternoons throughout next year with increased opportunities for you to come and see your child's work.

Friday is non-uniform day apart from Year 6 as they have their shirt signing day. We will also be collecting shoes for The Tumaini Fund as per the message on Dojo. Please ensure all library and reading books are returned before the end of the week and you've checked the lost property mountain for missing cardigans!

We finish at 1pm so the children will need 2 snacks for the day. Please remember that there are no school buses at the end of the day.

We say a fond farewell to our amazing Year 6, I know they will continue to make their parents and Schools proud of them and look forward to hearing of their future adventures.

I thank my amazing Team for all of their hard work and dedication to our children and wish Mrs Le Prevost, Mr Bougourd, Mrs Collis, Mrs Le Carpentier and Miss Parsons all the very best for the future as they also move on to new adventures.

For those of you returning to us, Term starts again on **September the 6th** (Wednesday). A reminder that if you do need support for your child returning to school, we now have a School Partnership Team who can provide advice. You can contact them at support@capelles.sch.gg (*The email inbox during the holidays will be monitored but please note it may not be read every day*)

I hope you all have a wonderful summer.

Mrs Coughlin
Head Teacher
